# SOCIETY PROFILE

## PRAKASH KUNJ

Attempts to unite women to develop their capacity form groups through mobilization, and provide financial assistance through linkage with banks for empowering women socially, economically, and politically. Regular activities are organized in Jharkhand & and different block-in Ranchi districts in Jharkhand for development and gender balance through fortnightly and monthly meetings. In addition,

The organization provides an opportunity for political empowerment for representation under the Panchayat Raj Institution by linking one women group to another group at village, cluster, and block levels. Our Society is making a new story of women's empowerment. This work is going on in the Ranchi districts.

Following are some major achievements-

Women empowerment program is being operated in different villages by women from different social and economic classes.

# SOCIETY STATISTICS

## *Safe Drinking Water, Sanitation, and Hygiene*

These three components are very important to establish a healthy society, but peoples are not sensitive about safe drinking water due to the lack of awareness. We organized street play in 5 villages to mobilize and awake people to construct toilets, to start hygiene practices, and wider advertisement of the National Drinking Water Pipe Water Supply Scheme under Jal Shakti Abhiyan at the district level. As a result of our initiative, more than 200 families' constructed new toilets in their houses, and about 150 families submitted demand within 6 months from the starting of the program. People are awaked through a wider message about the disadvantages of open defecation and washing hands before eating and after the toilet. We also mobilize about 320 people about hygiene practices.

# 367

## GIRLS EDUCATION

Girls play an important role and place in society. A girl becomes a woman and operates the entire family. Educated girls are the backbone of the family as well as society. We organize meetings with the guardians of schoolchildren to make awareness on girl education intensively

# 41%

## CONSERVATION OF ENERGY

CONSUMPTION AND DEMANDS OF ENERGY ARE INCREASING DAY BY DAY AS WELL AS POPULATION AS A RESULT ENERGY SUPPLY IS BECOMING MORE CHALLENGING. IT IS NECESSARY TO BE AWARE PEOPLE ABOUT THE TRADITIONAL AND OPTIONAL SOURCES OF ENERGY TO BALANCE CONSUMPTION, DEMAND, AND SUPPLY OF ENERGY AND REDUCE THE CONSUMPTION OF ENERGY. IN THIS CONJUNCTION, ORGANIZATION BUILDS AWARENESS ON CONSERVATION OF ENERGY AND USE OF C.F.L.

# ENVIRONMENTAL AWARENESS

Deforestation and pollution of the environment are the main reasons for climate change and emerging challenges from it. Because of this, So many natural disasters are happening around us. The misbalancing of environment and ecology has become a more concerning subject for the entire world. Society organized awareness rallies, poster competitions, exhibitions,s, and tree plantation programs from time to time to generate awareness of the environment. Villagers planted 5632 trees in 11 villages after the awareness program of the organization. Also, efforts were made on “Plastic Free Village” in different villages by getting their attention as well as providing information on the disadvantages of the use of plastic bags.

## Plantation (Organic Farming)

*Using chemical fertilizer and pesticides is contaminating grain, vegetables, fruits, and milk that are the main base of the food for human life. As a result, human life is falling in dangerous situations. Indiscriminate use of chemical fertilizers for crop growing has become a threat to human life as well as this is converting productive land into barren land. Only one solution against this situation is organic farming, it proves that vermin compost is helpful to increase the production power of the earth. It makes water, land, and air healthy, and farming in low water availability is possible through using vermin compost and also it is cheaper than chemical fertilizer, which decreases the cost of farming. Bringing these objectives Society motivated farmers for organic farming.*

## बच्चों की दीदी हैं शीला

दसवीं कक्षा तक की पढ़ाई पूरी कर मंदबुद्धि तथा मूक-बधिर गरीब बच्चों को पढ़ानेवाली प्रकाशकुंज की शीला की शिक्षित भारत का निर्माण करने की लालसा गजब की है. जब मूक-बधिर बच्चों के मां-बाप बच्चों को स्कूल भेजने से मना करते थे, उस समय बच्चों के मां-बाप को समझा कर उन्हें पढ़ाने का कर्तव्य निभानेवाली शीला को वच्चे दीदी के नाम से जानते हैं.

## मंदबुद्धि बच्चों का जीवन संवारने में लगा है प्रकाश कुंज

प्रशांत सिंह

रांची, 16 सितंबर : सुदीप तितली कहाँ है, सात वर्षीय मंदबुद्धि बालक से उसकी माँ पूछती है. बालक माँ को देखता है व कुछ हरकतें करने लगता है. फिर उठ कर दीवार पर बने चित्रों में से सितली के बने चित्र पर हाथ रख देता है. यह बातें हैं हटिया स्थित प्रकाश कुंज नामक संस्था की. यह संस्था मंदबुद्धि बच्चों का जीवन संवारने में लगा हुआ है. आठ दिसंबर 1999 को स्थापित उक्त संस्था में आसपास के इलाकों जैसे बुधुदाना, विरसा चौक, सतराजी, सोलंकी, रातू आदि के अलावा अन्य क्षेत्र के मंदबुद्धि बच्चे आते हैं. कुछ युवा मंदबुद्धि युवक-युवतियाँ भी हैं. इन्हें दैनिक कार्यकलापों की जानकारी दी जाती है. जैसे ब्रश करना, नहाना आदि. पहले उक्त संस्था पटेल नगर में कार्यरत था. कुछ दिन पूर्व यह यहाँ के सामुदायिक भवन में कार्य कर रहा है. यहाँ बच्चों को अक्षरों व चित्रों के माध्यम से पढ़ाया भी जाता है, बिना कोई शुल्क के. तो फिर आपलोग संस्था कैसे चलाते हैं. पूछे जाने पर शीला लिंडा कहती हैं किसी तरह चलता है. सरकार की ओर से कोई सहायता अब तक मिली है. वो कहती हैं अब तक तो नहीं. फिर आजकल इसके लिए पैरजी नारायण, जो हमारे पास नहीं है. हमने हटिया के ही कुछ प्रतिष्ठित लोगों को सहायता देने की कहा. लेकिन किसी ने ध्यान नहीं दिया. शीला कहती हैं मुझे रामाज के लिए कुछ करने की जरूरत है, इसलिए कर रही हूँ. इस कार्य में उसकी सहायता शीला लिंडा, कुमुम देवी, अमिताभ, जो गीता करमाली, निशा लिंडा व नीणा तिकी भी सहयोग करती हैं. उनका कारण है कि कार्य में लगी संस्था दीपशिखा ने उन्हें बहुत सहयोग दिया. चलो मैंने देखा कि शीला बनाने की ट्रेनिंग भी दी जाती है, इन शीलों को वे बाजार में घूम-घूम कर शीलों की माताओं ने कहा कि यहाँ आने से बच्चे अब घर में कम बरमावारी करते हैं. इससे काम खुद बनने हैं. बीच में ही बात काट कर बच्चों को शिक्षा देनेवाली कुमुम देवी हैं और यही संस्था का उद्देश्य है.
